

<b>Job Title</b>	Production Manager
<b>Company</b>	Brij & Co.
<b>Location</b>	Rai, Sonipat

### Position Overview:

We are seeking an enthusiastic Production Manager to join our team. The Production Manager will ensure that production targets are met, quality standards are upheld, and costs are controlled, all while maintaining strict adherence to timelines and safety regulations. These professionals form the backbone of the manufacturing process, ensuring that the apparel produced is of the highest quality, delivered on time, and produced at an optimal cost, thereby contributing significantly to the overall success and profitability of the organization.

### Key Responsibilities:

- 1. Production Planning:** Develop and implement production plans to meet customer orders and deadlines.
- 2. Quality Control:** Oversee quality assurance processes to ensure all products meet company and industry standards.
- 3. Resource Management:** Manage resources, including materials, machinery and labor, to optimize production efficiency.
- 4. Team Leadership:** Lead, train, and supervise production staff to ensure high performance and adherence to company policies.
- 5. Inventory Control:** Maintain optimal inventory levels to support production schedules without over stocking.
- 6. Process Optimization:** Continuously analyze and improve production processes for efficiency and cost-effectiveness.
- 7. Compliance:** Ensure all production activities comply with safety, environmental, and industry regulations issues.
- 8. Vendor Coordination:** Coordinate with suppliers and vendors to ensure timely delivery of materials and resolve any issues.
- 9. Budget Management:** Develop & manage production budgets, ensuring cost control & financial efficiency.
- 10. Technology Integration:** Implement & manage technology solutions to enhance production capabilities & efficiency.

### Qualification and Skills Required:

- Graduate with an experience of 8 to 10 years, preferably in Export Industry
- Excellent knowledge of Advance Excel
- Good analytical skills
