

Job Title	Senior Industrial Engineer
Company	Brij & Co.
Location	Rai, Sonipat

Position Overview:

We are seeking an enthusiastic Senior Industrial Engineer to join our team. The ideal candidate will focus on optimizing manufacturing processes, improving efficiency, and enhancing product quality. You will collaborate with various departments to implement solutions that drive productivity and reduce costs.

Key Responsibilities:

- 1. Process Analysis:** Analyze existing manufacturing processes to identify inefficiencies and areas for improvement.
- 2. Workflow Design:** Develop optimized workflow designs to enhance productivity and reduce waste.
- 3. Cost Reduction:** Implement cost-saving measures by streamlining operations and reducing overhead.
- 4. Production Planning:** Plan and schedule production activities to meet customer demand and minimize downtime.
- 5. Quality Control:** Establish and enforce quality control procedures to ensure product standards are met.
- 6. Data Analysis:** Collect and analyze data related to production, labor, and materials to make informed decisions.
- 7. Lean Manufacturing:** Implement lean manufacturing principles to improve efficiency and reduce waste.
- 8. Facility Layout:** Design and optimize facility layouts for maximum efficiency and safety.
- 9. Project Management:** Manage engineering projects from conception to completion, ensuring timely delivery and adherence to budgets.
- 10. Technology Integration:** Integrate new technologies, automation and semi automation systems to enhance production capabilities.

Qualification and Skills Required:

- Bachelor of Technology (Industrial Engineer) with an experience of 5+ years
- Good communication skills both verbal and written
- Motivated self-starter with a strong desire to learn and grow
- Experience in Garment industry is preferred

How to Apply:

Please submit your resume and portfolio at **jobs@brij.com** and why you are the ideal candidate for this position. **For more details about the company, you can visit our company's website – www.brij.com**
